

~~ADMINISTRATIVE - INTERNAL USE ONLY~~

**SEMIANNUAL REPORT OF ACCOMPLISHMENTS
IN THE USE AND MANAGEMENT OF ADP**

Reporting Organization: DD/S/OL

Period Covered: Second Half of
Fiscal Year 1970

SECTION I. ACCOMPLISHMENTS RESULTING FROM THE USE OF COMPUTERS

PART A. DESCRIPTION OF COMPUTER-BASED SYSTEM

Agency Program Supported

Category: Program Wide
Subcategory: Support Services
Element: Logistics

System Description

1. Real Estate and Construction Division, OL has developed a small program to locate and control the unclassified publications in its Engineering Branch library.
2. While no new systems were initiated in Printing Services Division, OL during this reporting period, the EPIC System Development Team has concentrated on a thorough debugging of the existing EPIC Program. The Team also has been engaged in developing program specifications for the use of the Photon 713/20 as the primary output device for the EPIC System.

PART B. BENEFITS

No measurable manpower or dollar savings have resulted from the implementation or change of systems during this reporting period.

SECTION II. ACCOMPLISHMENTS IN MANAGING ADP ACTIVITIES
